

Elevate Your Menu

WITH UNMISTAKABLE MAPLE

Of course, it can sweeten your recipe, but there's so much more to maple. Its rich, complex and distinctive taste traverses the spectrum from sweet to savory, for depth of flavor across your entire menu, from the amuse-bouche to the last bite.

.....

APPETIZING IN EVERY COURSE

Ranging from delicate to more intense rich taste, maple syrup grades provide a wide range of flavors—each with its own unique characteristics—to enhance a variety of menu items.

Use maple to add dimension to these courses, and more:

Savory sauces and dressings

- Glazes
- BBQ sauce
- Vinaigrettes and salad dressings

Meat, poultry, fish and seafood dishes

- Maple ginger and other marinades for beef, pork, chicken and shrimp
- Maple glazed bacon

Vegetables with personality, combining maple and companions such as rosemary, sesame, turmeric, chestnuts, mushrooms and more

- Grilled vegetables including brussel sprouts, asparagus, corn and eggplant
- Seasonal/fall vegetables including squash, cauliflower and potatoes

Beverages including specialty cocktails, mocktails, coffees and smoothies

- Replace simple syrup
- Reinvent the classics and create new favorites

Desserts

- Crème brûlée with maple
- Cakes and cookies
- Fruit crisps, tarts and galettes
- Chocolates, nuts and fruits
