WE KNOW CONSISTENCY IS KEY

For high-quality maple syrup with consistent flavor profiles you can count on, choose Bascom Maple Farms as your maple source.

Our consistent, delicious maple syrup keeps consumers coming back for more. Maple syrup varies slightly from region to region every year. With Bascom's decades of expertise, we can ensure that you'll get that same taste you've come to depend on in each and every order.

ANYWHERE FROM DELICATE TO STRONG MAPLE FLAVORS

Color and taste of maple syrup are influenced by nature and other factors throughout the harvesting process. We use a universal grading system to differentiate our maple syrup.

Whether your brand needs syrup with Grade A dark color with robust taste, Grade A amber color with rich taste, or somewhere in-between, Bascom has the right solution for you.

Our Maple Syrup, Your Branding

Bascom can handle any order, no matter how big, no matter the market. Whether it's two pallets or multiple weekly truckloads, we can do it.
